PROFILE

Extremely motivated to constantly develop my skills and grow professionally as an Electrician.

EXPERIENCE

ELINE HILL, Maintenance Electrician

JUN 2019 - JAN 2020

- Performs mechanical work, welding, painting, general maintenance and housekeeping as required. Maintaining records and equipment to reduce electrical delays and breakdowns and make changes necessary to improve safety and productivity.
- Provides input on preventive maintenance programs and ensuring all repairs and work being performed is done in accordance and in compliance with the National Electric Code, National Electric Safety Code and National Fire Protection Agency 70E.

LIBBI'S ELECTRIC, Electrician

DEC 2010 - MARCH 2019

- Prepared quotes and planned the layout and installation of all related work based on job specifications. Responsible for the installation, assembly and maintenance of electrical wiring, conduit, transformers, panels, switch disconnects, subpanels, equipment, motors and controls, appliances and light fixtures. Maintained tools, equipment and test instruments in working order

LINEAR ELECTRIC, Electrician

JUN 2009 - DEC 2010

- Served as a Journeyman Electrician on more than 100 new home construction and remodel projects as well as dozens of major commercial projects.
- Coordinated and acquired tools, materials and equipment necessary to complete the job. Planned the layout and installation of electrical wiring, fixtures, equipment and appliances.
